

# Darwin Mental Health Network Meeting

hosted by Carers NT & supported by MHPN

The Darwin Mental Health Network is an information sharing and networking opportunity for Workers within the Mental Health Sector.

At the next event, Dr Carol Davy from the PHN will present information on NT HealthPathways, an online health information portal for General Practitioners (GPs), to be used at the point of care. The portal will provide information on how to assess and manage medical conditions, and how to refer patients to local specialists and services in the most appropriate and timely way. NT HealthPathways is aimed at GPs, but it can also be used by hospital specialists, practice nurses, practice managers, and allied health providers.
